

# United Way of Rockbridge

218 South Main Street, P. O. Box 1094, Lexington, VA 24450

March 15, 2023

Dear Community Partners,

The United Way of Rockbridge (UWR) is pleased to announce that we are now accepting funding applications for the 2024 Calendar Year. UWR is committed to collaborating with the charitable community to improve the quality of life for all residents in Rockbridge County, Lexington and Buena Vista. We strive to be a leader in assessing community needs; to raise and allocate resources for other organizations; and to ensure the appropriate use of those resources. UWR's vision is to ensure equity in education, health, and financial well-being for all Rockbridge community members.

While we will fund a wide range of projects, UWR has identified two specific focus areas where we would like to make a substantial impact. Those areas are early childhood development and the support of ALICE (Asset-Limited, Income-Constrained, Employed) households. Additionally, we will continue to place a high value on grant applications that demonstrate collaboration with other community partners.

Once applications are submitted, UWR will work with community reviewers to visit your agency to learn more about your project July 5-19. Recommendations and a review of all applications will be completed and funding approved in September. Agencies will be informed of those funding decisions by October 1.

We are grateful to live in a community blessed with so many wonderful initiatives and innovative programs. It is a delight to support agencies and projects committed to improving the lives of Rockbridge residents.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jennifer Dent".

Jennifer Dent

UWR Executive Director
